WHAT THE POLICY INSURES

During the period of insurance, the policy insures against *theft* of, *loss* of, or *accidental damage* to the *equipment* (including standard manufacturer-installed operating systems and accessories).

The *theft*, *loss* or *accidental damage* must occur either within Australia and its Territories or, for mobile *equipment* only, anywhere in the world (subject to Economic and Trade Sanctions condition) on the basis that *equipment* is only temporarily used outside of Australia.

Please refer to the terms, conditions and exclusions of the insurance as outlined in the Policy Wording below.

COST OF THE INSURANCE

The cost of the insurance (premium) will be shown in the Tax Invoice. It will depend on various factors including the type of *equipment*, the value of the *equipment*, geographic area, the amount of the excess, *your* claims history, and the term of the insurance. The premium also includes statutory charges such as GST and Stamp Duty.

EXCESS

You may be able to nominate the excess or Chubb will decide which excess will apply based on an assessment of the risk. *Your* excess will be stated on the Insurance Certificate and must be paid each time a claim is accepted and before the claim is finalised.

BENEFITS OF THE INSURANCE

Benefits of the insurance are contained within the "Insurer's Liability" and the "Insurer's Maximum Liability" sections of the Policy Wording.

COOLING OFF

You may cancel *your* insurance by contacting Protecsure within 21 days of *your* cover commencing and receive a full refund of the premium. *You* will not be eligible for a refund if a claim is paid due to an insured event arising during this cooling off period.

DUTY OF DISCLOSURE

Your Duty of Disclosure

Before *you* enter into an insurance contract, *you* have a duty to tell us anything that *you* know, or could reasonably be expected to know, that may affect our decision to insure *you* and on what terms.

You have this duty until we agree to insure *you*.

You have the same duty before *you* renew, extend, vary, or reinstate an insurance contract.

What you do not need to tell us

You do not need to tell us anything that:

- reduces the risk we insure *you* for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive *your* duty to tell us about.

If you do not tell us something

If *you* do not tell us anything you are required to, we may cancel *your* contract or reduce the amount we will pay *you* if *you* make a claim, or both.

If *your* failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Because of this we are exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the *Corporations Act 2001* (Cth). We have compensation arrangements in place that are in accordance with the Insurance Act.

In the unlikely event that we were to become insolvent and were unable to meet our obligations under the Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme.
